INTRODUCTORY REMARKS

I am proud that we have succeeded in our intention to have our capital become a true home of tennis again after a month. Belgrade Open will be organized in accordance with all epidemiological rules and measures prescribed by the Government of Serbia and defined by the ATP, and we are certain that we will again prove that Serbia, Belgrade, and we, as organizers, are reliable partners of the ATP Tour.

Belgrade Open will gather leading tennis player from the top 10, 20 and 50 in the world. A new thing compared to the previous ATP in Belgrade is that the protocol rules have been relaxed, which is absolutely good and positive news. Players participating in Belgrade Open will not have to be in the so-called "bubble". They will be allowed to leave the hotel. Actually, we will have the first week of the tournament which will have such liberalized protocols. That will be an excellent opportunity for players to tour our capital, to the degree participation in the tournament permits.

We would like very much to have at least a part of the audience in the stadium, and we are hoping for that. Of course, I believe that what we prepared for the tennis players from the moment when they arrive to our capital to the moment they leave will be sufficient to let them feel the support and the hospitality which we will try to confirm again. As was the case with previous tournaments organized in Belgrade this year, all matches will be broadcast on RTS and Arena sport channels, so we have good reasons to believe that the family enjoyment started in April, with games of people's favourite players, will continue until the end of May. In an organizational sense, everything is dedicated to ensuring that every detail is at the highest level, to provide the biggest possible safety, security, comfort and luxury to the players.

In the coming days again, Belgrade and Serbia will be the centre of the tennis world, and in the period ahead, we will try to increase the number of tournaments we will organize, both challengers and futures, as well as the top category ones. We did a fantastic job in April. After praises from the ATP organization and supervisors, we don't doubt that Belgrade Open will prove that we are great hosts, professionals in terms of organizing ATP 250 series tournaments, and true promoters of sport and tennis. All with the aim to truly make Belgrade the new home of tennis.

Djordje Djokovic

DIRECTOR OF BELGRADE OPEN

POZDRAVNA REČ

Ponosan sam što smo uspeli u namjeri da naš glavni grad posle mesec dana ponovo bude pravi dom tenisa. Belgrade Open će biti organizovan u skladu sa svim epidemiološkim pravilima i merama koje je propisala Vlada Republike Srbije i koje je ATP definisao, a sigurni smo da ćemo još jednom pokazati da su Srbija, Beograd i mi kao organizatori pouzdan partner ATP tura.

Belgrade Open okupiće vodeće tenisere, vrhunske igrače iz top 10, 20 i 50 na svetu. Novina u odnosu na prethodno organizovan ATP u Beogradu jeste da su pravila protokola relaksirana što je apsolutno dobra i pozitivna vest. Igrači koji učestvuju na Belgrade Openu neće morati da budu u takozvanom „mehuru“. Biće im dozvoljeno da izlaze i van hotelskih prostorija. Zapravo, mi ćemo biti prva nedelja turnira koji će imati takve oslobođene protokole. To je sjajna prilika da igrači, u meri u kojoj im učešće na turniru dozvoljava, iskoriste priliku i da obidu naš glavni grad.

Jako bismo voleli da imamo makar deo publike na tribinama i nadamo se tome. Svakako će, sve ono što teniserima bude pripremljeno od trenutka kad dođu u našu prestonicu dok ne odu, verujem biti dovoljno da osete podršku i gostoprимstvo koje ćemo se truditi još jednom da potvrdimo. Kao što je to bio slučaj i sa prethodnim turnirima organizovanim ove godine u Beogradu, svi mečevi biće prenošeni na RTS-u i kanalima Arena sporta, te sa razlogom verujemo da ćemo porodično uživanje započeto u aprilu, uz igre omiljenih tenisera, nastaviti i do kraja maja. U organizacionom smislu sve je podređeno tome da svaki detalj bude na najvišem nivou, da pružimo igračima što veću bezbednost, sigurnost, komfor i luksuz.

Beograd i Srbija će i u narednim danima biti centar teniskog sveta, a u periodu koji je pred nama nastojaćemo da povećamo broj turnira koji ćemo organizovati, kako čelindžera i fjučersa tako i onih iz najjačе kategorije. U aprilu smo obavili fantastičan posao. Nakon pohvale ATP organizacije i supervizora, ne sumnjamo da će i Belgrade Open pokazati da smo vrhunski domaćini, profesionalci u organizovanju ATP turnira serije 250 i pravi promotori sporta i tenisa. Sve sa ciljem da Beograd zaista bude novi dom tenisa.
